

Miracle League Opening Day

The Miracle League of San Diego held Opening Day activities March 5 at Engel Family Field at San Dieguito Park. The event included team meet and greets, a "Parade of Teams and Opening Day Ceremony," food and two games: the Diamondbacks played the Royals and the White Sox played the Mets.

The Miracle League of San Diego was created in 2005 so that San Diego children with special needs would have the opportunity to play organized baseball. Visit miracleleagueofsandiego.org.
