Diego, CA 92139

Bell Middle School 2019 Inaugural Home Run Derby

As you know, Bell Middle School does not have shade over the bleachers, a scoreboard or a permanent sound system. To help us on that path, the San Diego Padres have pledged \$50,000 to help build all three in time for the Fall 2019 season. However, the cost is far greater than that, and we have committed to matching as much of those funds as possible.

To help make this dream possible, all proceeds raised at the Home Run Derby on April 13th will be dedicated to this project. Coverage of our inaugural event will be provided by Fox Sports San Diego, in conjunction with Kaiser Permanente. You can help in three ways. First, participate as a slugger and collect as many pledges as possible per home run you hit. The rules are simple – you use a Big Jack bat and ball and every time you swing, you hit a home run or register an out. You have seven outs per at bat. We have several divisions with different “home run distances” so everyone is a winner. Anyone is eligible, whether a player, buddy, coach, parent or volunteer. Miracle League players start with five home runs to give them a head start in fundraising. We ask that you secure at least \$10 in pledges per home run to make sure you can make a lasting impact.

If you can't participate as a slugger, consider pledging to support a slugger. If you can't find a particular slugger to support, we can provide one for you. Lastly, you can make the biggest impact by being a sponsor. We have several levels, ranging from \$250 to \$5,000. All sponsors will have their names printed on the official T-shirt.
